

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Pacific Gas and Electric Company
(U 39 E) for Authority to Increase Revenue
Requirements to Recover the Costs to Replace
Steam Generators in Units 1 and 2 of the Diablo
Canyon Power Plant.

Application 04-01-009
(Filed January 9, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING
MOTIONS TO WITHDRAW REQUESTS FOR
INTERVENOR COMPENSATION**

On April 13, 2005, Aglet Consumer Alliance (Aglet) filed a request for intervenor compensation for its contributions to Decision (D.) 05-02-052. On April 22, 2005, Aglet filed a motion requesting that its request be withdrawn. On April 26, 2005, San Luis Obispo Mothers for Peace, Sierra Club, Public Citizen, and Environment California (MFP) filed a request for intervenor compensation for their contributions to D.05-02-052. On May 11, 2005, MFP filed a motion requesting that its request be withdrawn.

D.05-02-052 was an interim decision that put forth the Commission's preliminary findings regarding this application. Since D.05-02-052 did not resolve the matters for which compensation is requested, the requests are premature. Therefore, I will grant the motions to withdraw.

Therefore, **IT IS RULED** that the motions to withdraw requests for intervenor compensation for contributions to Decision 05-02-052 filed by Aglet Consumer Alliance on April 22, 2005, and by San Luis Obispo Mothers for

Peace, Sierra Club, Public Citizen, and Environment California on May 11, 2005 are granted.

Dated May 16, 2005, at San Francisco, California.
